Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am Student	I'm trying to Save pocket money and split expense	But unable to limit my expense	Because I don't have a track of my expenses	Which makes me feel Regret to save
I am Working professional	I'm trying to Achieve FIRE(Financial IndependenceRetire Early)	But Expense is higher than Investment	Because Too-Busy-To budget	Which makes me feel FIRE goal in vain
I am Average Adult	I'm trying to organize my expenses in customized way	But need to alert when the user limit exceeds	Because source of income and expenditure hard to keep up	Which makes me feel inability to organize the sources
